

MINUTES

EAA Chapter 206

September 20, 2018

The meeting took place at the meeting room at the Yakima Airpark. There were 28 present.

- I The meeting was brought to order at 7:04pm by president Stu Copeland.
- II There were no guests present.
- III A motion was made by John Estep to accept the minutes of the last meeting as published on the chapter's web sight. The motion was seconded by Virgil. The motion was approved.
- IV Mike Bull, treasurer, reported that the chapter's bank account had a balance of \$-----. A motion to accept the report was made by Gary and seconded by Steve. The motion passed.
- V The meeting continued with old business.
 - A. The results of the survey for the trip to the Museum of Flight were reported by Stu. 4 people responded, "yes" to the survey. Stu offered to rent a van for those who would like to make the trip and asked that they contact him.
 - B. Another trip in the spring was suggested. Two possible destinations were made by John Davis as being the museum at Pain Field and the museum at Madras, Oregon.
- VI The next agenda item was new business.
 - A. The Christmas party will be on Thursday, December 6 and will be off the airport.
 1. The party will be held at the "Riveridge" at the golf course in Selah.
 2. The cost will be \$35/person with a minimum of 50 attending.
 3. A sign up sheet will be made available at the next meeting for those wanting to attend.
 4. A flyer was passed for menu items.
 - B. A continental breakfast is planned for the 3rd Saturday in October. The breakfast will start at 8am in the meeting room. A "Wings" program hosted by Terri Sloan entitled "Back in the Saddle" will continue the morning from 9 to 12am.
- VII Stu continued the meeting with project reports.
 - A. Steve Berriman sold his airplane to a Boeing engineer.
 - B. Brian Thompson is putting new wings on his Stinson.
 - C. Tom McMahon is working on his engine for his motorized sailplane.

D. The plane with the cracked oil pan has been repaired and declared airworthy.

VIII The technical advisor, Tom McMahon, made several suggestions.

A. As the weather begins to transition to winter, he suggested that condensation in fuel tanks be checked at proper intervals.

B. The lower temperatures will cause tire pressures to lower and that these pressures should be checked. John Davis suggested that air in the tires can be replaced with nitrogen obtainable at Costco.

IX Stu then asked for "Good of the Order" reports.

A. John Estep again announced his workshop on the software language APL.

B. John Smith announced that his veterans group will march at the fairgrounds on September 25.

X The 50/50 raffle was won by Ola Vestad holding ticket number 346383 and winning \$33.00 on a gross sale of \$66.00.

XI A motion was made by John Estep for adjournment and seconded by Tom McMahon. The motion passed.

XII The program for the evening was presented by Steve Hahn. He gave a talk on his adjustment experiences including transition training after purchasing his "Meridian."
